

# THE PATERNOSTER

*City of London*

---

Set in a modern, glass-fronted building, the Paternoster sits right next to St Paul's Cathedral, providing the perfect metaphor for London today and provides you with captivating wedding photography: the modern juxtaposed against the traditional.

This theme for a beautiful wedding reception continues inside, the Paternoster is a bright, airy, open plan space, but still retains the traditional values that encapsulate the British pub.
